Corn Limpers! Use
"Gets-It" and Smile!

Corns Come Right Off, Clean and
Quick! You Needn't Limp, or
Fuss With Your Corns
Any More!

What's the use of spoiling a good
time for yourself by limping around
with those corns? It's one of the
easiest things in the world, now, to
get rid of them. "Gets-It" does it

"These Corns Come Right Off, Clean As a
Whistle, by Using 'Gets-It'"

the new way. That's why "Gets-It" has
become the corn remedy of America,
the biggest selling corn remedy in the
world, preferred by millions. Do you
remember that toe-eating salve you
tried, that sticky tape, that toe-
bandaging, the going you've
done with knives, razors and scissors?
Well now, forget them all. No more
fussing, no more pain. Whenever you
use simple, easy "Gets-It," the corn
is doomed, sure. So is every callus,
wart or bunion. Never cut corns
or calluses, it makes them grow that
much faster and increases the danger of
blood poisoning. No cutting is necessary
by using "Gets-It." Use it tonight and end
your corn's existence.
"Gets-It" is sold by all druggists,
25c a bottle, or sent direct by E.
Lawrence & Co., Chicago.

mended as the world's best corn remedy by

RHEUMATISM ARRESTED
Many people suffer the tortures of
lame muscles and stiffened joints because
of impurities in the blood, and each suc-
ceeding attack seems more acute until
rheumatism has invaded the whole system.
To arrest rheumatism it is quite as im-
portant to improve your general health as
to purify your blood, and the cod liver oil
in Scott's Emulsion is nature's great blood-
maker, while its medicinal nourishment
strengthens the organs to expel the
impurities and rebuild your strength.
Scott's Emulsion is helping thousands
every day who could not find other relief.
